Basketball Unit using Game Sense

Level 4: Health and Physical Education
Interpersonal Development
Personal Learning

This unit of work for Year 5/6 students use Learning focus statements from the Physical, Personal and Social Learning strand. Basketball is the activity area through which students work towards meeting the relevant standards.

Objectives:

The objectives of this unit are for students to:

- To work in a team to improve tactical thinking in basketball.
- To take on a role of responsibility in a group situation.
- To develop persistence when experiencing difficult tasks.
- To develop basketball skills.
- To start to understand the purpose of Invasion games.

Unit Outline:

Students participate in a range of modified basketball activities with a focus on developing attack and defensive tactics. In teams they participate in these activities and experience team responsibilities, competition, tactical discussions and tactical skill development.

PE Teaching Modes:

TGFU – Teaching Games for Understanding/Game Sense
SEPEP – Sport Education in the Physical Education Program
TPSR – Teaching for Personal and Social Responsibility

Assessment Tasks:

Game Performance Assessment Instrument: Invasion Games
Team Contract
Invasion Game rubric
Student reflections based on TPSR levels

Resources:

# VICTORIAN ESSENTIAL LEARNING STANDARDS

Student participation in the unit **Basketball using Game Sense** makes a contribution to students achieving a range of VELS.

Lesson 1

1. Explain objectives of the Unit to students:
   - To work in a team to improve tactical thinking in basketball.
   - To take on a role of responsibility in a group situation.
   - To develop persistence when experiencing difficult tasks.
   - To develop basketball skills.
   - To start to understand the purpose of Invasion games.

2. Introduce TPSR (Teaching for Personal and Social Responsibility) levels.
3. Divide into 4 teams.
4. Assign roles:
5. Sign contract (See Appendix 1)
6. Discuss main intention of Invasion games.
   - To invade the opponents defending area to score a goal while at the same time defend own goal area.

Activity 1 – Keeping Off

Setup
2V1 played in small squares.

Aim
To keep the ball off the defender for 2mins.

Conditions
No contact allowed.

Questions
Q: Who should you pass the ball to?
A: To a free player.
Q: When should you pass the ball?
A: When a player runs into a free space.
Q: How can the player without the ball support the partner with the ball?

Activity 2 – Tag Ball

Setup
4V2 in ½ court area.

Aim
4 attacks and 2 defenders (taggers).
Taggers try to tag an attacker whilst they have the ball. A point is rewarded to the pair each time a tag is made.

Conditions
Each pair gets 1min to get as many tags as they can.

Questions
Q: What is the best way to pass the ball to each other?
A: Short pass.
Q: What is the best method to get as many tags as possible?
A: Short accurate passes to each player.
Lesson 2

Discuss TPSR levels. Focus on level 2 characteristics.

Activity 1 – Corner Spray

Setup
3V2 played in squares.

Aim
3 players attempt to keep possession of the ball by moving between the corners of a square for 2mins.

Conditions
Only 1 player allowed at each corner.

Questions
Q: Who should you pass the ball to?
A: To a free player.

Q: When should you pass the ball?
A: When a player runs into a free space.

Q: How can the player without the ball support the player with the ball?

Activity 2 – Team Tag Ball

Setup
6V6 in \(\frac{1}{2}\) court area.

Aim
1 team passes ball between them until they can tag an opposition player with the ball (not throw it at them!).

Conditions
No contact
No running with ball
Cannot tag same person twice in a row
Play for 2mins then swap tagging team.

Questions
Q: Where is the best place to force a tag?
A: Side lines and corners.

Q: How could players in the team being tagged help each other?
A: Call out space and spread out.

Q: When defending is it better to watch the player with the ball or the player without the ball?

Game – Hoop Ball

Setup
6V6 in \(\frac{1}{2}\) court with 4 hoops.

Aim
Teams attempt to pass the ball to a team mate when in a scoring hoop.

Conditions
Players are only allowed in hoop for 3 seconds.
If ball is intercepted then swap attacking team.
Lesson 3
Discuss Game Performance Assessment Instrument for Invasion games (see Appendix 2) ensuring players know the assessment criteria.
Teacher/students start to assess using the GPAI.

Activity 1 – Circle Ball

Setup
3V3 in large circle with a small centre circle.

Aim
Player in the centre circle attempts to pass the ball to team mate in between circles.

Conditions
When player catches the ball give back to centre.
Change centre player after 1min.

Questions
Q: How can defenders combine to prevent a successful pass?
Q: Where is the best place for interceptors to position themselves inside the circle?

Activity 2 – Defend the End

Setup
6V6 in ½ court with End Zones.

Aim
Teams aim to pass ball to a player standing in their end zone to score a goal.

Conditions
Rotate end zone player.
If end zone player drops ball – no goal.
No dribbling

Questions
Q: When is it best for defenders to defend space or opposition player?
Q: What are the roles of the players without the ball?

Game – Top Ball

Setup
6V6 in ½ court with 1 player ‘top’ in key.

Aim
4 consecutive passes before passing to the ‘top’ player who then gets a free shot on goal.

Conditions
Rotate ‘top’ player.
Dribble for 3 steps then pass.
All infringements result in free pass from sideline.

Questions
Q: What can you do to ensure that you maintain possession for 4 passes?
Q: What can you do to deny space when in defence?
Lesson 4

Introduce Invasion Game rubric. Discuss issues raised in the rubric and how they apply to the Invasion game unit. Students indicate where they believe they are. (See Appendix 3) Teacher/students continue to assess using the GPAI.

Activity 1 – Tally Ball

Setup
6V6 in ½ court.

Aim
To make 5 consecutive passes and call the tally as they go.

Conditions
5 passes = 1 point

Questions
Q: Is it best to defend space or a player to prevent scoring?
Q: How can the team in possession work together to get 5 passes?

Game – 5 passes

Setup
6V6 in ½ court.

Aim
5 passes then shot on goal.

Conditions
Dribble for 3 steps then pass.
All infringements result in free pass from sideline.

Round Robin Competition – 6V6

Students organise the competition according to their roles and responsibilities.

Scoring Key

5 = Very effective performance (Always)
4 = Effective performance (Usually)
3 = Moderately effective performance (Sometimes)
2 = Weak performance (Rarely)
1 = Very weak performance (Never)

Components and Criteria

• **Skill execution** – Students pass the ball accurately, reaching the intended receiver.
• **Decision making** – Students make appropriate choices when passing i.e. Passing to unguarded team mates to set up a scoring opportunity.
• **Support** – Students attempt to move into position to receive a pass from team mates
